

WATPHOU TRAVELS

Package Portfolio, Positioning & Destinations

For the sales meeting and the webmaster • September 2026

1. How to read this document

This replaces the earlier short list of 7–8 core packages. The full offer is now 16 products, grouped by duration. Not every package should sit on the homepage. Use the priority column: ★★★★★ = homepage / best sellers, ★★★★ = strong catalogue pages, ★★★ = niche or active (keep in menu, not on the hero).

2. Suggested list with positioning

Positioning is the sentence the sales team and the website should use when presenting the package. It is not the full itinerary.

Code	Package	Duration	Priority	Positioning
1.1	Bolaven Plateau Classic Full-Day	1 day	★★★★★	Entry product. Easiest first sale. Cool highlands, waterfalls and coffee in one day from Pakse.
1.2	Vat Phou & Riverside Gems Full-Day	1 day	★★★★★	Essential cultural day. UNESCO Vat Phou + Champasak + Mekong boat return.
1.3	4000 Islands Full-Day	1 day	★★★★	Island day without overnight. Li Phi + Khone Phapheng for travellers short on time.
1.4	Pakse Cultural & Riverside Full-Day	1 day	★★★★	City + river day. For arrivals, departures, or guests staying at Pakse Hotel.
1.5	Dan Sinxai Eco Adventure Trek	1 day	★★★	Active Bolaven. 4-hour trek + waterfalls. Sell to walkers, not to first-time easy-tour clients.
1.6	Champasak Cycling Experience	½–1 day	★★★	Soft adventure around Vat Phou. Four route options. Best if the guest already sleeps in Champasak.
1.7	Dan Yai & Tiger Falls Trek	1 day	★★★	Highland trek with viewpoint and swimming fall. Niche, nature-first clients.
2.1	Bolaven Plateau Classic 2D/1N	2D / 1N	★★★★★	Best overnight Bolaven. Markets, villages, coffee and a night in the cool highlands.
2.2	4000 Islands & Vat Phou 2D/1N	2D / 1N	★★★★★	Best short combination: one night on the islands + Vat Phou on the way back.
2.3	Vat Phu & Champasak Discovery 2D/1N	2D / 1N	★★★★	Culture overnight. Temples, crafts, Don Daeng. For guests who do not need the 4000 Islands.
3.1	3-Day Classic Experience	3D / 2N	★★★★★	Flagship. The three icons in one journey: Islands + Vat Phou + Bolaven.
3.2	3-Day Highlights	3D / 2N	★★★★	Shorter complete circuit. Bolaven with Phu Kratheng volcano, then Vat Phou and the islands. Alternative to 3.1.
4.1	4-Day Southern Laos Escape	4D / 3N	★★★★	Best balance for most multi-day travellers. Can finish in Pakse or at the Cambodia border.
5.1	5-Day Exploring Southern Laos	5D / 4N	★★★★	Complete south with two nights on the islands. Do not rush. Border option on the last day.
6.1	6-Day Journey to the Heart	6D / 5N	★★★★	Deepest published journey. Adds cycling, Baci and Don Daeng homestay before the islands.
T.1	Tailor-made / Custom Tours	Flexible	★★★★★	Always visible. High-value private journeys built after the first contact.

Homepage Best Sellers (show 4 cards only)

- 1.1 Bolaven Plateau Classic Full-Day
- 2.1 Bolaven Plateau Classic 2 Days / 1 Night
- 2.2 4000 Islands & Vat Phou 2 Days / 1 Night
- 3.1 3-Day Classic Experience in Southern Laos

Keep T.1 Tailor-made as a permanent button or menu item, not as a fourth/fifth card competing with priced packages.

Note on the two 3-day packages

3.1 Classic = Islands first, then Vat Phou, then a full Bolaven day (markets + coffee). 3.2 Highlights = Bolaven first with Phu Krateh volcano, then Vat Phou + Tomo, then the islands, with a possible Cambodia-border finish. Keep both, but sell 3.1 as the flagship and 3.2 as the compact circuit / border-friendly version.

3. Destination coverage table

YES = the package actually visits this destination. Departure from a Pakse hotel alone is not enough to mark “Pakse & Surroundings”. That column is only for programs that explore Pakse town, Don Kho, markets, temples or the Golden Buddha.

Code	Package	Bolaven Plateau	4000 Islands (Si Phan Don)	Vat Phou & Champasak	Pakse & Surroundings
1.1	Bolaven Classic Full-Day	YES	—	—	—
1.2	Vat Phou & Riverside Gems FD	—	—	YES	—
1.3	4000 Islands Full-Day	—	YES	—	—
1.4	Pakse Cultural & Riverside FD	—	—	—	YES
1.5	Dan Sinxai Eco Trek	YES	—	—	—
1.6	Champasak Cycling	—	—	YES	—
1.7	Dan Yai & Tiger Falls Trek	YES	—	—	—
2.1	Bolaven Classic 2D/1N	YES	—	—	—
2.2	4000 Islands & Vat Phou 2D/1N	—	YES	YES	—
2.3	Vat Phu & Champasak Discovery	—	—	YES	—
3.1	3-Day Classic Experience	YES	YES	YES	—
3.2	3-Day Highlights	YES	YES	YES	—
4.1	4-Day Southern Laos Escape	YES	YES	YES	—
5.1	5-Day Exploring Southern Laos	YES	YES	YES	—
6.1	6-Day Journey to the Heart	YES	YES	YES	—
T.1	Tailor-made / Custom	YES	YES	YES	YES

Reading the table: a 1-day package is almost always one destination. From 2.2 upward (except 2.1 and 2.3), packages combine destinations. That is useful for the website filters: Destination pages can list every package marked YES in that column.

4. Suggested website filters

Menu by duration: Day Tours • 2-Day • 3-Day • 4–6 Day • Tailor-made

Menu by destination: Bolaven Plateau • 4000 Islands (Si Phan Don) • Vat Phou & Champasak • Pakse & Surroundings

A package with several YES in the table appears in several destination pages. That is correct and helps SEO.

5. Destination pages — which packages to show

Bolaven Plateau — 1.1, 1.5, 1.7, 2.1, 3.1, 3.2, 4.1, 5.1, 6.1

4000 Islands (Si Phan Don) — 1.3, 2.2, 3.1, 3.2, 4.1, 5.1, 6.1

Vat Phou & Champasak — 1.2, 1.6, 2.2, 2.3, 3.1, 3.2, 4.1, 5.1, 6.1

Pakse & Surroundings — 1.4 (main) + T.1. Other packages start in Pakse but do not explore the town.
